

Welcome to Cockfield

2020/2021

# Welcome to Cockfield

We hope you will be happy here and find our welcome book useful to get you started with what we are, what we do and how you can quickly settle and get to feel at home.

We are very proud of Cockfield. Over the years we have won many awards most recently in 2012 when we were both Babergh and Suffolk Village of the Year.

As a community we have a lot to offer and we hope you will join in, contribute and benefit from the many social and recreational opportunities available.

As a resident you are automatically a member of the Community Council and we hope you will subscribe to Green Links, our Village Magazine, which works hard to keep the village in touch with itself.

We have an active website, [www.cockfield.org.uk](http://www.cockfield.org.uk), where you will find a link to subscribe to our email broadcast list to receive reminders of upcoming events and other matters of village interest.

Our dustbin day is Friday or Monday depending which part of the village you live in, alternate weeks black and blue bins. If you would like a brown bin for compostable waste please contact Babergh and Mid Suffolk Council. The number on the contacts page.

We are active recyclers, you will find in the Village Hall car park bottle, clothing, shoes, paper and aluminium can banks these benefit the Village Hall, Parish Council and School.

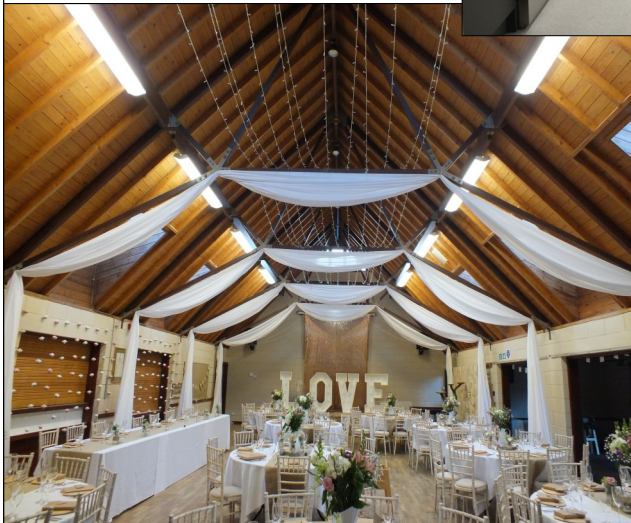

We hope you enjoy looking through these pages and if you have any questions please feel free to ask.

System, Hearing Loop  
Sectional Stage  
Crockery and cutlery  
for 100+  
Free Wi-Fi

For more details or hire rates  
please contact; June Pettit  
[village.hall@cockfield.org.uk](mailto:village.hall@cockfield.org.uk)

## Cockfield Carpet Bowls Club

So, what is carpet bowls? It's a game played on long mats which we roll up and store in the hall. The club owns all the equipment, so there's nothing for members to provide apart from uniform shirts for matches.

The bowls are much smaller than the ones used for the outdoor game, but do have a bias which makes them roll in a curve.

There are 18 members in our club, and on Monday evenings you will find us enjoying ourselves in the village hall; we are always pleased to meet new residents. During the summer months we often have practice evenings when you will be welcome to

have a go. From September to April is the main league season, and we often have two matches a week, with Monday being our home match night. Spectators welcome! Just come along to the hall at 7.15pm and give us a cheer!

The bowls club has been going for about 25 years, and we are quite successful in two local leagues – Suffolk and Bury St Edmunds. We have won numerous trophies and competitions in the past couple of years, and usually finish near the top of the league tables.

One highlight of the season is the annual charity event which we host, when we normally manage to raise about £1,000 for a local good cause such as the St Nicholas Hospice or the Air Ambulance. This is held in February and is so popular that we have to limit the number of entries to 80 bowlers!

About half of our members live in or near Cockfield, and the rest come from Bury – despite the wide range of ages in the club we all get on well together.

Suffolk are national champions, and the Cockfield club is proud to have four members in the county squad.

In summary, it's a very sociable game at club level; you get to meet people not only from Cockfield but also from many other local villages, both at home and away. And anyone can play; you don't need to be super fit or sporty.

We all look forward to seeing you there!

[carpet.bowls@cockfield.org.uk](mailto:carpet.bowls@cockfield.org.uk)

# Cockfield WI

We are a lively group of around seventy ladies and come in all ages and sizes!

Meetings are held at 7.30pm on the first Thursday of each month in Cockfield Village Hall.

If you are interested and would like to know more, need directions or require transport to the meeting, please phone either of the contacts below or email

[wi@cockfield.org.uk](mailto:wi@cockfield.org.uk).

INSPIRING WOMEN

A Warm Welcome awaits you at

## Cockfield Community Coffee

10.30am - noon at Cockfield Village Hall  
4th Thursday in the month

Everyone Welcome - Brica & Book Stalls

Further details from [wi@cockfield.org.uk](mailto:wi@cockfield.org.uk)

No charge but a donation towards refreshments would be welcome

# St Peter's Church Cockfield

A friendly welcome awaits you at your local Church!

St Peter's has been a place of Christian worship for nearly a century, where people gather together week by week to engage in God's mission of love to the world. There have been many Rectors over the centuries, but the most notable is probably John Knewstubb who attended the famous Hampton Court Conference of 1604 which resulted in the translation of the Bible into English.

The Church is part of a group of Churches known as a Benefice which includes five other villages - Bradfield St Clare, Bradfield St George, Little Whelnetham, Felsham and Gedding. People from across these villages attend worship at Cockfield, and bring with them a diversity of traditions and experience.

The Church community continues to grow and works with other organisations in the village to help bring people together to worship, celebrate, care and learn. The community is well known for its hospitality and social activities which include some fundraising aspects as well as fellowship.

The yearly calendar includes a Summer and Autumn lunch, concerts, plant sales and coffee mornings. There are also two home groups that meet in the village for those who want to study the Bible in more depth.

The Church works closely with the local Church of England Voluntary Controlled Primary School which is virtually next door. End of term services, nativities, Easter celebrations and other learning activities are often held in the Church to enhance the children's learning. An annual Summer Holiday club for 5-11 year olds is held in the village hall too.

There is a rota of services across the benefice, and St Peter's normally holds two 11am services and an 8am service each month. There are also special services at key points on the year such as Mothering Sunday, Remembrance, Easter and Christmas. All the benefice services are advertised through the village magazine, Green Links, and are on the village website. They are also advertised in the benefice magazine, Reaching Out and on the benefice website at [www.cockfieldbenefice.com](http://www.cockfieldbenefice.com). There is also a benefice facebook page at [facebook.com/cockfieldbenefice](https://facebook.com/cockfieldbenefice). Some of our services are livestreamed as well as being held in Church.

Do contact the Rector for further information: Revd Sharon Potter on 01284 828599, 07825 086063 or email

[revsharon@btinternet.com](mailto:revsharon@btinternet.com)

Or contact the Churchwardens at

[church.warden@cockfield.org.uk](mailto:church.warden@cockfield.org.uk)

We look forward to seeing you!

An illustrated history of the Church is available in the Church, which is open every day from 8am - 4-6pm (daylight hours).

# Stanningfield & District Agricultural Club

The Club has been established for many years and has meetings every alternate Tuesday (October to March) in Cockfield village hall at 7.30 pm.

Although titled "Agricultural" its membership does include those who enjoy the Country Lifestyle as well as the Farming Community.

During the seasons (ie October to March) speakers and presentations are the main attraction with wide ranging topics reflecting the interests of the members including current affairs of a general nature and local country life often educational but always entertaining. The winter season includes the "traditional" events such as a Carol singing with charitable fund raising as well as festive pleasures.

For the farmers an annual Cereals competition is treated with great competitive enthusiasm. For the non farmers a country craft competition is provided. Together with these traditions a Ladies Evening is held and other social events with a quiz which includes competing with young farmer's clubs etc. Annually a Formal Club dinner with a visiting speaker is a highlight of club life.

The summer season is a shorter period due to the harvesting commitment of the farmers. However visits to local farms and the enjoyment of the accompanying hospitality are always welcomed. Visits to other places of interest are also arranged. A bi annual club holiday trip is organised of about 4 to 6 days when the members of the club travel to other parts of the country enjoying places of interest as well as farm related experiences. This very full and busy programme develops a friendly and happy community.

Visitors may call at any of the clubs regular meetings when they can be sure of a warm welcome and they can determine whether membership may enhance their lifestyle.

For any further information please contact

# Green Links

## The Monthly Village Magazine of Cockfield

Green Links is a lively, independent, not for profit publication with no affiliations to any religious or political groups.

An annual subscription to Green Links costs £3.00. For this you receive 12 copies which are delivered to your door.

Local businesses are able to advertise, depending on available space, advertising rates are very reasonable and Sue Harrison, the advertising manager, will help with the typing and layout if required.

Green Links is your magazine and as Editor I am happy to receive any articles, poems, letters, notices, for sale items etc. Maybe you would like to write and let others know of your experiences of moving to Cockfield? It would be very good to hear from you.

If you would like to receive Green Links, please contact David Simpson on [green.links@cockfield.org.uk](mailto:green.links@cockfield.org.uk)

To advertise please contact Sue Harrison on [green.links@cockfield.org.uk](mailto:green.links@cockfield.org.uk)

Any editorial items please contact the editor Janne Cutting-Keyton on 01284 828264 or e-mail [green.links@cockfield.org.uk](mailto:green.links@cockfield.org.uk)

May we take this opportunity to welcome you  
to the village.

# Cockfield Parish Council

The Council meets 10 times a year (no meetings August or December) on the last Thursday of the month in the Village Hall from 7.30pm. These are public meetings. The Parish Clerk, Steve Ball, may be contacted on 01284 828987 between 10am and 4pm or by email at [parish.council@cockfield.org.uk](mailto:parish.council@cockfield.org.uk)

Due to Lockdown there was no Annual Parish Meeting in 2020 but here is the Chairman's Report from 2019 which gives a real flavour of what the Parish Council does.

## **Chairman's report for the Annual Parish Meeting 30<sup>th</sup> May 2019**

**Introduction:** It has been another busy year for the Parish Council with the work load and administration process forever expanding. Our Clerk Steve Ball manages to keep his sanity with the flurry of emails that land every day from District and County councils. In April we expressed our thanks to Barbara Ruffell and Rod Portwood who retired from the Council. The remaining members were returned un-opposed for the next 4 year term with no election being held due to the overall lack of candidates. At our first meeting we welcomed Ian Levett as a new councilor and will subsequently be looking to co-opt the one remaining vacancy.

**County and District Councilor:** The Parish Council thank both Clive Arthey and Robert Linsey for their endeavors in representing the village at the District and County Council level. Clive was also nominated by the Parish Council in the national LGIU awards for 2018. In early May we were joined by Margret Mayberry as our new joint district councilor for the Lavenham ward in which Cockfield is now situated in, following the electoral boundary reviews. Despite all the good work the Parish Council at times do become frustrated at the apparent inefficiency of these organizations which no doubt is accentuated by the ever-increasing pressures on finances and resources.

**Emergency Services:** Cockfield continues to be a relatively safe and secure environment and consequently we see emergency service resources being deployed to more demanding locations. Although a key initiative the village has taken on, is to raise awareness of vehicle speeding and road safety issues. Ralph Turner and Rodney Williams rotate the location of two mobile speed activated signs, which feedback indicates is much appreciated around the village. To this end we are looking to provide a further device to increase visibility in more areas simultaneously.

Further safety signage is being looked into to be installed at Great Green to warn of the play area. Another safety driven feature relates to SCC's significant reduction in verge cutting. Therefore, the village is progressing this ourselves with an approved contractor. This is now with the full support of SCC!

**Local Needs Housing:** The Council, represented by Robin Morley, are still stakeholders in the overall team delivering the development and reports in Green Links keep residents informed of progress. Orwell Housing are now in possession of the land and site works will commence towards the later part of the year.

**Planning:** We still see a high level of planning applications and more recently appeals. As statutory consultees this does demand a high proportion of time to make our consistent and considered responses. Regrettably we find BDMDC planning department do not always align with our thoughts.

**Financial Matters:** Of course, these building developments, do generate Community Infrastructure Levy funding to the village (Parish CIL) which is to be used on village projects and we are currently exploring where this could be best used.

Vigorously encouraged by Clive Arthey Cockfield has been extremely successful in applying for and securing Babergh CIL 123 funding. This has facilitated the purchase of the Glebe land, amenity land associated with the McKenzie development together with the residual railway line. More recently the repairs and restoration of the Victorian culvert / bridge at Bruffs Line.

During the year, like many villages, we have been able to provide the defibrillator at the village hall and offered training to a large number of people.

We would thank our Internal Auditor Lyndon Mills for his work to ensure all matters are in order prior to examination by our external auditors.

**Greens Report:** Great Green is in good order. Thanks go to Carl Brinkley and the Football teams for their consideration of the conditions during the winter which this year has not been so severe. The drainage problems appear to now be resolved and further work in maintaining the surface with weed control and soil condition is progressing. As ever thanks go to those hardworking individuals whose efforts keep all the other greens in excellent presentation.

As no doubt villagers will have noted, we have a new village sign carved and installed by a very modest resident, but in recognition of this tremendous effort we are hosting a formal “unveiling” event on the 14<sup>th</sup> June where we are supporting his charity at the West Suffolk Hospital. Therefore we are asking residents to come along and participate in this event on Parsonage Green.

The two redundant red heritage phone boxes will be renovated during the summer.

**Earls Meadow / Bruffs Line:** The joint project with the Community Council, Rodney Williams and his work groups keep up the good work in this area. With the land purchases of the open space at Mackenzie Place, the further stretch of railway and the Glebe Land now reaching completion we are looking at finalising additional management plans for these areas.

**Parish Paths:** Ralph Turner reports on the Path situation, this is always challenging with the county council financial resources given to maintenance. There is a continued reliance on local land owners and volunteers to keep paths open and we thank them for their efforts.

Special thanks go to Paul and Jackie Heather for their work in clearing vegetation encroaching on the Howe Lane pathway.

**Cemetery:** Rodney Williams and Ralph Turner have again kept the cemetery grounds in excellent condition despite the ever-challenging weather conditions.

**Highways:** Roads and pavements continue to deteriorate with minimal attention from Highways engineers as repairs are route hierarchy based. We do encourage all residents to report pot holes etc on the council's web portal as we are informed this will obtain some action. Janne Cutting-Keyton chases up SCC as we did have some items mysteriously disappear from view without being closed out!

# Catey Pre-School COCKFIELD

Catey Pre-School, Church Lane, Cockfield, Bury St Edmunds, Suffolk, IP30 0LA

At CATEY Pre-School (established in 1994), children from the age of 2 years are given the opportunity to learn, explore and discover skills through play in a safe and secure environment preparing them for the eventual move into primary education. In our friendly atmosphere the children are able to build their confidence, learn to communicate, co-operate, share, and enjoy the company of other children and adults. The curriculum for the Foundation Stage underpins all future learning by supporting, fostering and promoting all aspects of children's development, concentrating specifically on; personal and social wellbeing, positive attitudes and dispositions, social skills, attention skills & persistence, language and communication, reading and writing, mathematics, knowledge and understanding of the world around us, physical development, and creative development.

The Pre-School, which is rated "Outstanding" by OFSTED, is well equipped with materials and learning resources to stimulate and build the children's confidence and manipulative skills.

The Pre-School is securely situated within the Primary School grounds with access via the school playground.

We have a large covered outside learning area as well as the play area covered in AstroTurf.

We provide care and education for young children between the ages of 2 and 5 years, including 15 hours and 30 hours funding for eligible children.

## Opening Times & Charges (APRIL 2020)

The pre-school is open 38 weeks each year, Monday to Friday

### **Breakfast Club**

Including primary children	7.50am – 8.50am	£3.00
Morning Session	8.50am – 11.50am	£10.00*
Lunch Club	11.50am – 12.20pm	£2.00**(+ add £2.60 for hot meal)
Afternoon Session	12.20 pm – 3.20pm	£10.00*
After School Club	3.20pm – 4.30pm	£4.00 (Pre-School Children)
After School Club	3.20pm – 4.30pm	£4.50 (Primary School Children to year 4)
Full Day	7.50am – 4.30pm	£29.00 (Excluding hot meal)

\* Government funding could be available for 15 or 30 hours per week, please contact staff for further details.

\*\* Children can either bring a packed lunch or have a cooked meal supplied from Cockfield CEVCP School kitchen at a cost of £2.60 per meal.

For further information contact Teresa or Carrie on 01284 827274.

E-mail: [admin@cockfield.suffolk.sch.uk](mailto:admin@cockfield.suffolk.sch.uk)  
[www.cockfieldprimaryschool.co.uk](http://www.cockfieldprimaryschool.co.uk)

Head Teacher: Mrs Trudie Harkin

### **Our School**

Cockfield Primary School was founded in 1856 as a National School to meet the educational needs of the children of Cockfield. The several Victorian additions to the building gave the children facility for schooling to 14 years of age.

As rationalisation and legislation has progressed, the school now serves the needs of the 4-11 year age group from the further villages of Thorpe Morieux, Bradfield Combust, Bradfield St Clare and Bradfield St George.

### **Curriculum**

We deliver a creative and engaging curriculum and we aim to ensure that the fundamental British values of democracy, the rules of law, individual liberty and mutual respect are taught and discussed. We highlight the importance of respect and tolerance of those with different faiths and beliefs.

To deliver our curriculum we use the local area to enhance the children's learning experience, such as Earls Meadow, the farming community, our local churches and village. We also invite members of the community into the school. Many valuable experiences happen through outdoor learning. Teachers plan regular opportunities for learning outside the classroom. Local educational visits are planned to enrich the curriculum. Older children have opportunities to take part in residential visits. Our curriculum work is supported by a range of trips and visitors.

We are a Church School and follow the agreed syllabus for Religious Education in Suffolk. This comprehensive and exciting curriculum helps children to consider their own beliefs and values and those of others.

### **Classes – September 2020**

We have 4 classes: **Lime, Oak, Willow** and **Birch**.

In **Lime Class** our Reception/Year 1 class is taught by Miss Fairless and teaching assistant Mrs Iliffe.

Miss Perkins teaches Year 2 in **Oak Class** along with teaching assistant Mrs King.

Miss Leaman teaches our Year 3 & 4 in **Willow Class** and Mrs Di Cioccio is the part-time teaching assistant.

Mrs Harkin and Mrs Card teach Year 5 & 6 in **Birch Class**

Mrs Salisbury is the school Senco.

**Clubs** - We have many sporting clubs after school including dance, football, gym, yoga and multi-skills, as well as an engineering club and guitar lessons. We provide a Breakfast Club from 7.45am and After School Club till 5.50pm, at a small cost.

We have an active Friends of the School Association (FOCSA) who raise money to support the school. They help with the cost of trips, special days and resources for the school.

We have very close links with St Peters Church and friends from the Open the Book team visit the school once a month for assemblies.

Cockfield Congregational Church is an active church that also draws people from our neighbouring villages. Besides the events shown overleaf we have close relationships with our friends at St Peter's Church, Cockfield, with some members attending a weekly evening homegroup and jointly running events such as the primary school children's summer holiday club.

**Home Group**

We are a relatively small evangelical church that seeks to effectively attest to the good news about Jesus Christ for each individual in our village, in our county and in our world in the 21<sup>st</sup> century. The prayerful support and love shown to one another is a joyful feature of our church life. You would be more than welcome to join us at any of our meetings.

# Cockfield Community Council

Cockfield Community Council was established, as a charity, in 1968 with the objective of funding a new Village Hall. Following the achievement of this objective in 1976, we turned our attention to providing recreational facilities and other amenities to improve the lifestyles of the community residing in the village.

The Council is managed by a board of 16 voluntary Trustees, with four honorary officers – Chairman, Vice Chairman, Secretary and Treasurer, to oversee and organise the various events which are held in the village and administer grants to other village organisations.

In the beginning members paid a subscription of 6d (old pence) per week which, over the years, increased to £3 per year. However, from the year commencing 1<sup>st</sup> November 2016 the Trustees voted to abolish the annual subscription and rely upon our fundraising efforts to support our objectives. This means that we are able to invite all residents of Cockfield to consider themselves members of the Community Council.

We support, on an ad hoc basis, various projects which have been undertaken in the village.

Some examples are;

- Support of the village's major celebration events

- A donation to the Parish Council towards the purchase of additional land at Earl's Meadow and the refurbishment of the Sports Pavilion

- A contribution towards new windows and doors for the Village Hall and towards the refurbishment of the Village Hall Toilets and Kitchen

- Purchase of a surround sound system and projector for the Community Cinema

- Support for the replacement of and extension to the provision of play equipment on Great Green

- A contribution towards the purchase of a new community Mini Bus

We also carry out a number of continuing activities in the village

- The Monthly Community Cinema

- Management and maintenance of the community minibus, which is available to use, subject to a payment for mileage, by any member of the Community Council over the age of 25 holding a clean driving licence

- The annual Village Show, Art Show, Golf Day and the New Year's Day Hangover Hike

Work with the churches in Cockfield to organise the annual Carols on the Green service  
Fund the Cockfield Web Site  
Organise various and diverse entertainments with our recently introduced Cockfield Community Cinema, dances, quiz nights, comedians and many others

Details of all our activities appear monthly in Green Links and are also on the Village Website – [www.cockfield.org.uk](http://www.cockfield.org.uk) We also have an e-mailing list which circulates useful information to members – you may register for this service through the website

## Cockfield Computer Circle

For a number of years a programme of computer classes was run in the village to help the community improve their skills in using Windows computers and iPad / iPhones.

Topics were aimed both at beginners and those seeking to push their knowledge further. Currently the programme is inactive due to insufficient demand.

I am always willing to run ad-hoc sessions if enough people are interested. In addition I can provide help and guidance on computer problems, either remotely or, when the current circumstances make it possible, by personal visit.

Please contact [computer.circle@cockfield.org.uk](mailto:computer.circle@cockfield.org.uk) for further information.

Please also visit  
[www.cockfield.org.uk/clubs-societies/computer-circle/](http://www.cockfield.org.uk/clubs-societies/computer-circle/)

## MINIBUS

The Cockfield Community Council minibus is operated from Hewicks Haulage located on the A134 (postcode IP30 0LJ). To book please email [minibus@cockfield.org.uk](mailto:minibus@cockfield.org.uk)

Users are reminded that all drivers must be in possession of an up to date blue driver's permit which is valid for one year from date of issue and may be obtained at Cockfield Post Office and Stores.

## Cockfield Sports Pavilion

This building has recently been refurbished with new showers, heating system, flooring and redecorated.

The Parish Council is looking to make Sports Groups and general social gatherings aware of it's availability for hire.

This facility may well suit your needs.

To find out more please email; [pavilion@cockfield.org.uk](mailto:pavilion@cockfield.org.uk)
